## GUNTERSVILLE WATER BOARD ACQUIRES ASBURY WATER

7/8/2026

Dear Valued Customer,

Effective July 7, 2026, the Guntersville Water Board has acquired the Asbury Water System. Beginning in the month of August 2026 customers of the Asbury system will begin receiving their water bills through the Guntersville Water Board.

Customers of the Asbury Water System will be receiving a letter and information about the cost and practices of the Guntersville Water Board. Further, on July 20, 2026 from 6PM -8PM at the Asbury High School gym we will be holding a question-and-answer meeting for anyone with questions or concerns. At this meeting we hope to not only inform customers about upcoming changes but also to ensure all that we look forward to being the supplier of water in the Asbury community and working to support the Asbury community.

For more information, please visit [www.gvillewater.com](http://www.gvillewater.com) and/or call our office at 256-582-5954.
